JOB ANNOUNCEMENT**

Announcement # 2013-093 Issue Date: 07-15-13 Closing Date: 07-19-13

Fish Technician II
Fisheries Resource Management
Department of Natural Resources
Hourly Wage: \$14.38/Full-Time/Regular
Location: Peshastin, WA

A Fisheries Technician II is responsible for a variety of semi-technical and semi-skilled tasks relating to fisheries management. The tasks involve are associated with the acclimation of juvenile Chinook and include, but not limited to, cleaning, and maintaining fish raceways and acclimation ponds, daily feeding and predator hazing, operation and maintaining fiddle equipment, collection and recording of legible field data. Fisheries Technician II may operate independently on occasion. Temporary housing may be furnished to the successful candidate and will be evaluated on a case by case basis.

Knowledge, Skills and Abilities:

- Knowledge of standard fisheries principles and procedures.
- Knowledge and skill in the operation of equipment and tools, used in fisheries field work.
- Ability to express ideas effectively both orally and in writing.
- Ability to work tactfully with the public.
- Ability to work outside under all types of weather conditions and to perform physical labor.

General Recruiting Indicators:

- One year experience as a Fisheries Technician I, and demonstrated ability to do the work.
- Must possess a valid Washington State Driver's License and be able to acquire Tribal License and Tribal Insurance.
- Required to pass a pre-employment drug and alcohol test.

Necessary Special Requirements:

- Must be willing to work assigned schedule, which may include weekends, nights, and holidays.
- Ability to report to work at a moment's notice, if and when need arises.
